# Desiderata

*Go placidly amid the noise and haste, and remember what peace there may be in silence.*

*As far as possible without surrender be on good terms with all persons.*

*Speak your truth quietly and clearly; and listen to others, even the dull and ignorant, they too have their story.*

*Avoid loud and aggressive persons, they are vexations to the spirit.*

*If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself.*

*Enjoy your achievements as well as your plans.*

*Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.*

*Exercise caution in your business affairs; for the world is full of trickery.*

*But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.*

*Be yourself.*

*Especially do not feign affection.*

*Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.*

*Take kindly the counsel of the years, gracefully surrendering the things of youth.*

*Nurture strength of spirit to shield you in sudden misfortune.*

*But do not distress yourself with imaginings.*

*Many fears are born of fatigue and loneliness.*

*Beyond a wholesome discipline, be gentle with yourself.*

*You are a child of the universe, no less than the trees and the stars; you have a right to be here.*

*And whether or not it is clear to you, no doubt the universe is unfolding as it should.*

*Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.*

*With all its sham, drudgery and broken dreams, it is still a beautiful world.*

*Be careful.*

*Strive to be happy.*

There is always someone special in a crowd, someone who stands out above all the rest. Someone whose identity is usually known by all because of his ability to recognize the best in each person and to inspire that person to be his best. He is a leader among his peers with the "Leader" guiding him. And yes, there is that special ray of sunshine to be seen in him through his never-ending smile. In our small delegation here at CHS, the special person we all recognize is Coach Don Hanks. That is why the 1976-77 CADET is dedicated in honor of his achievements and efforts to make Connally the best.

Connally High School has made a permanent imprint on my future. No matter where I go or what I do, I'll always remember my dear "ole Alma Mater." I never thought I would hate to leave school but believe it or not "I do." There has always been a little excitement in school but my Jr. and especially my Sr. year were "UNREAL." There are so many special people and memories that I really don't "Wanna Go."

Andrea Bush

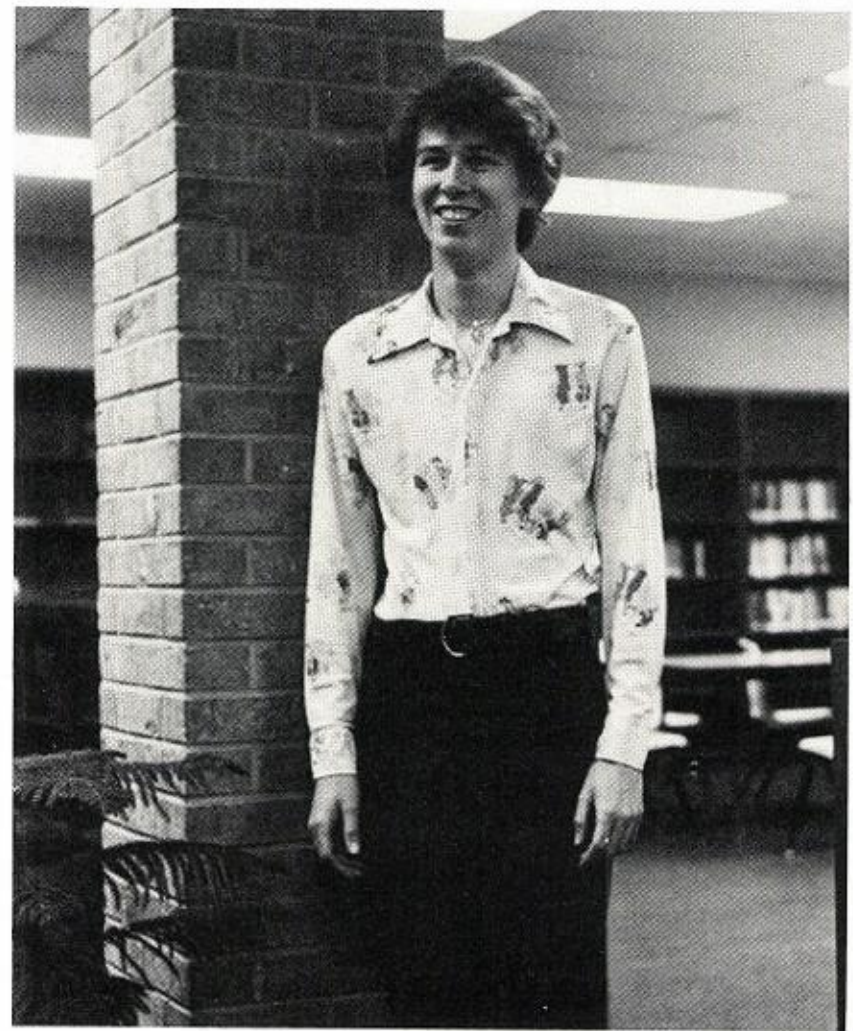

I came to Connally 5 years ago and it took me awhile to adjust to Connally and its people. But now I wouldn't trade it for the world. I have memories from Connally that I'll never want to forget such as: the Junior Play, the Prom, Athletic Banquets, Homecoming, football games in the rain, snow, sleet and hail, baseball games during dust storms, basketball games and all the dumb, happy and sad times we had. I think I might even be sad at Graduation (I know I will be!) Good luck to all the future graduating classes of Connally High School! **LONG LIVE the SENIORS of 1977!**  
Love, Kase

A place where good times, fun and friends are all an important part of learning. Connally's combination of warm friendly people, casual atmosphere and helpful teachers make it a great school. Being a student at C. H. S. is an advantage; be proud of your school, you're lucky to be a part of it.

Richard Liba

Getting selected for the Who's Who was truly a surprise and honor for me. Although I was not thrilled at the prospect of having to change schools during my last year in high school and had trouble adjusting to Connally at the beginning of the year, I believe that Connally has been a good thing for me. If Connally has taught me anything, it is this: "Why reach for the moon when you have the stars?"

Mike Russell

Thankful is the word that describes how I feel about Connally High School. Mainly, thankful for being here. With such a caring student body, and such an involved faculty, there is no way Connally can fail. From everything I've seen and learned here I feel there is no way I can fail. I would like to thank Mr. Rick Lowe for giving me a true picture of dedication, Mrs. Estelle Shelton for inspiring me, and John Crow for being a true friend.

Frank Davis

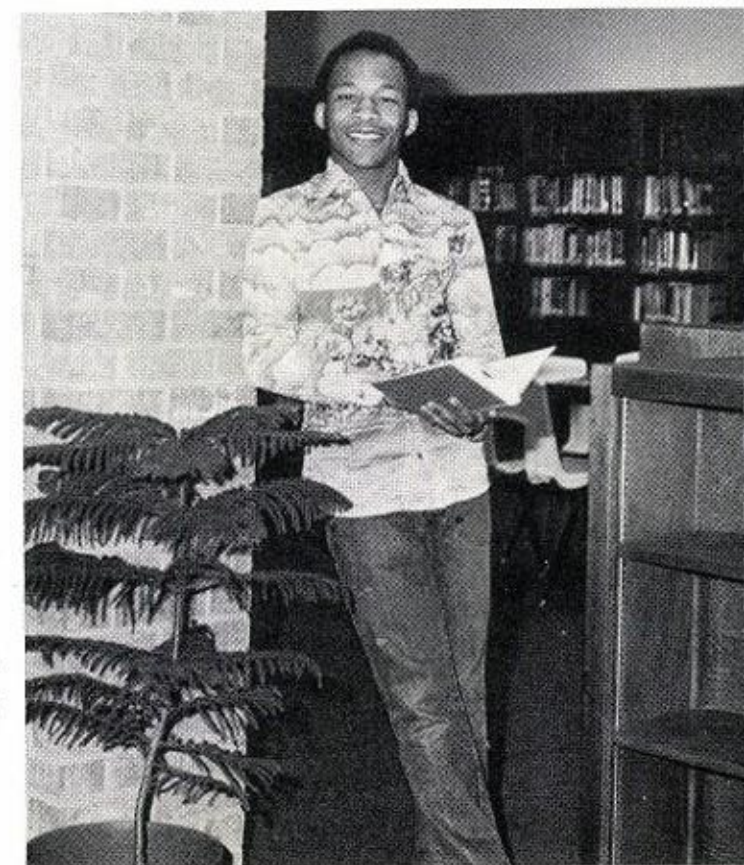

CHS has been an important part of my life and I have many wonderful memories of it. I have learned many values, not only educational, but values for life. School means more than just books. There are many wonderful people I have met who mean a great deal to me. Although it will be with sad regrets, I must say "good-bye", but it is with love in my heart and with fondest of memories.

Terry  
Moore

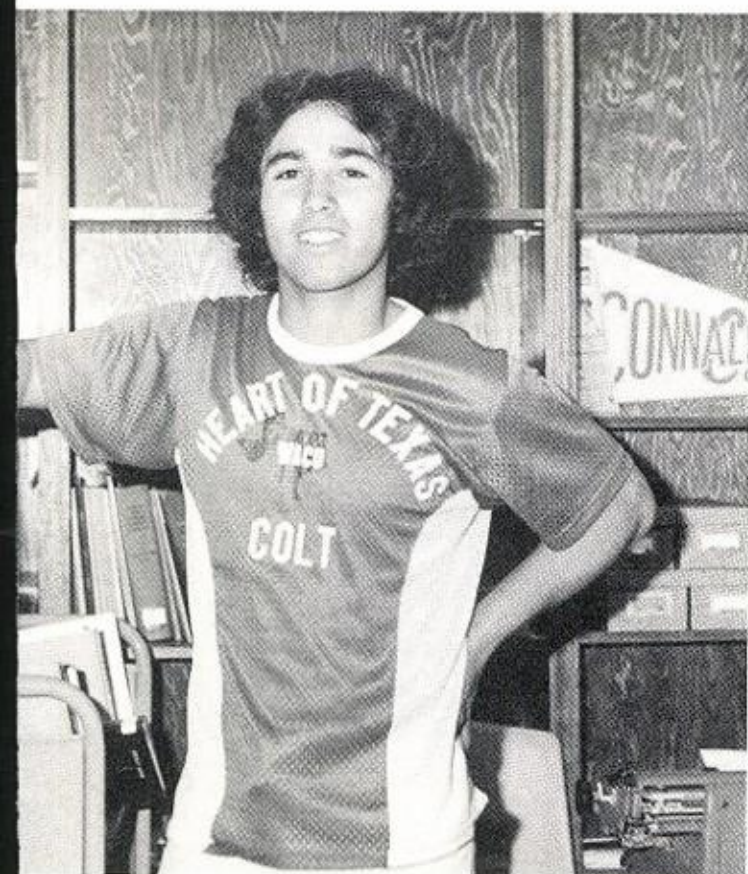

Being a Senior and Chosen as a 1977 who's who's of Connally High School really makes me look back at school. Now that I do I feel it was worth all I had, to go to school almost twelve years. That is, being a student of Connally High School, has made it a privilege, as well as an honor to be a 1977 who's who's of Connally.

Nathan Murrell

The four years from freshman to senior has been a happy and memorable time in my life. The warm friendships and fun times with my classmates will be long remembered. It has been a special opportunity to work with fellow students and teachers on the student council, in the junior and senior plays, and in baseball. I am especially grateful for the confidence shown in me by the faculty for appearing in this section of the annual. Tommy Cisneros

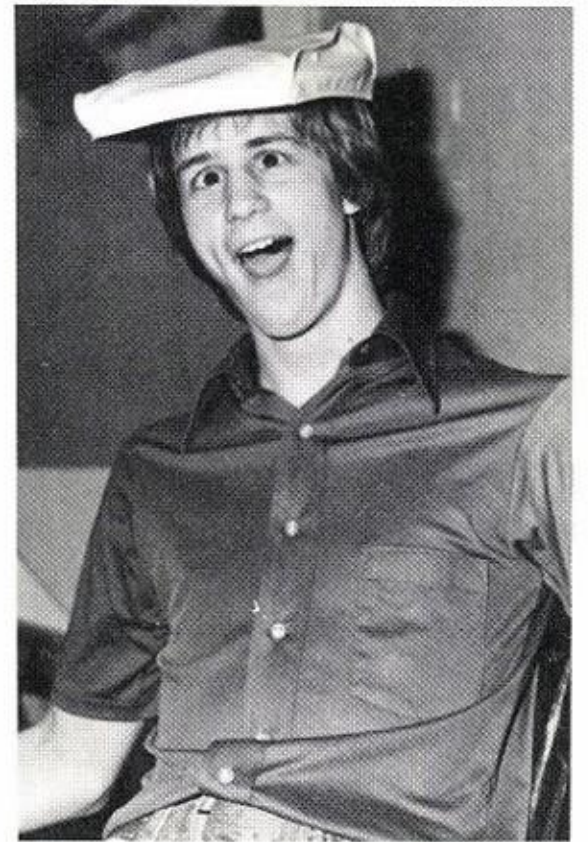

Connally High School will always have a special meaning to me. The special friends I've made through the last few years have brought me a lot of good memories. The teachers here are one of the finest. I'm very honored to be in Who's Who for this year. I hope that Connally will always display unity and spirit. Thanks for giving me the best four years of my life. Diana Lawdett

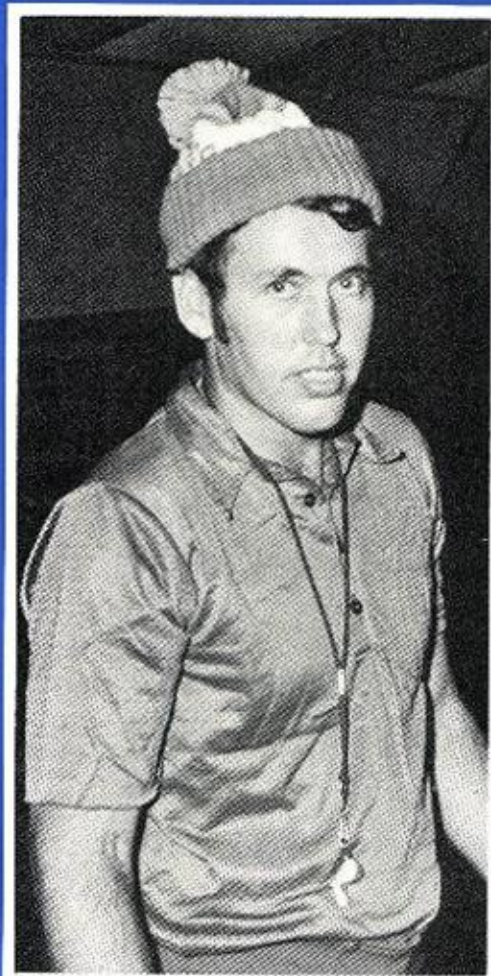

I have had a lot of fun in Athletics at Connally High School, and hope I have a good year next year. I think Connally has some really nice teachers. And I will always remember them and my classmates and the fun we had at Connally High School. Joanne Laidusk

We are all indeed children of the universe. Yet closer to home, we are all children of CHS. Each of us is subject to the myriad of relationships that abound in our high school. And, on the deeper analysis, we ARE CHS. Together, each and everyone of us, we make up the grey and the blue and we are the pillars of humanity called Cadets.

We, as individuals, and we, as CHS, have all benefited from knowing and being around each other. Thus, we do not look forward to losing such Cadets as: Bill Crockett, Buddy Ward, Beth Abernathy, George Heck, Don Hanks, Jimmy Beasley, Bob McAllen . . . and the class of 77. All of these have given us valuable memories.

This year the CADET staff has tried to capture some of those memories. We hope that you, on your future sojourns, can look back at this annual and recall life as it was. We have covered that small piece of eternity called a year as well as possible, and we hope you like our coverage. We would offer one last thing: "Whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God."
